ABOUT THE EXPERT REPORT

This report was generated using the SHL Expert Assessment System. It includes information from the Occupational Personality Questionnare (OPQ32). The use of this questionnaire is limited to those people who have received specialist training in its use and interpretation. The report herein is generated from the results of a questionnaire answered by the respondent(s) and substantially reflects the answers made by them. Due consideration must be given to the subjective nature of questionnaire-based ratings in the interpretation of this data. This report has been generated electronically - the user of the software can make amendments and additions to the text of the report. SHL Group plc and its associated companies cannot guarantee that the contents of this report are the unchanged output of the computer system. We can accept no liability for the consequences of the use of this report and this includes liability of every kind (including negligence) for its contents.
